

## RAP - Registered Apprenticeship Program

### **Earn while you learn and get a head start in your career**

Are you interested in:

- Starting your post-secondary training early in a respected career
- Working with your hands
- Working with people
- Creating and seeing the finished product
- Applying your math and science skills

As a RAP student you can earn a salary plus 40 high school credits, including four 35, 5-credit level courses towards your high school diploma.

Choose from over 50 trades and accumulate hours towards your first year apprenticeship.
