Field Trip Annual Consent Form (Low Risk Activities)

I/We understand that the Sturgeon School Division #24 (the Division) arranges for students within the Division to participate in field trips, which, in the opinion of the Division, have definite educational, athletic, or cultural value and are considered in the category of low risk activities. These day trips are very common and happen quite regularly throughout the school year. This form is not intended to request your approval for field trips that are considered high risk or overnight activities. A separate permission form will be sent home for high risk or overnight field trips.

I/We understand that any medical information requested would be collected for the purpose of student safety during field trips, including student athletic events (which are generally considered to have an inherent element of risk of injury despite all safety precautions).

I/We, being the custodial parent(s) or guardian(s) of _____ (the "student") consent to the student participating in any such field trips arranged by the Division, and we authorize the participation by the student. It is understood that my/our consent and authorization are subject to the following conditions:

- (1) The Division, through the relevant school, will advise me/us in writing of the following particulars of any field trip two weeks, if possible, and at least three school days, at minimum, prior to the intended date of the field trip:
 - (a) destination;
 - (b) arranged supervision;
 - (c) date(s) and time(s);
 - (d) transportation plans;
 - (e) associated risks that should be highlighted regarding the field trip;
 - (f) costs, if any; and,
 - (g) a telephone number through which additional information on the field trip may be obtained.
- (2) I/We acknowledge my right to obtain as much information as I require about the program(s) or activity(ies) and associated risks and hazards, including information beyond that provided to me by the school or Board.
- (3) I/We freely and voluntarily assume the risks/hazards inherent in the program/activity and understand and acknowledge that my child may suffer personal injury due to an unforeseeable event associated with his/her participation. I consent that the Board, through its employees, agents and officers may secure such medical advice and services as they deem necessary for my child's health and safety, and that I shall be financially responsible for such advice and services.
- (3) I/We have the right to advise the Division, through the relevant school, in writing, at least two school days before the commencement of any particular field trip, that I/we do not consent to the student participating in the field trip, in which event my/our consent and authorization will be considered as withdrawn for the particular field trip and the student shall not be allowed to participate in such field trip.
- (4) I/We have read, as per the reverse, the students' responsibilities, have discussed these with my child, and will comply with the parents'/guardians' responsibilities.
- (5) This consent, authorization and waiver shall be in effect for the current school year only.

Transportation Registration Process

Welcome to Sturgeon Public School Division.

Sturgeon Public School Division offers transportation services to over 3500 students attending at 12 schools and 2 learning centers.

Parents who would like their children transported to school by bus can use the following steps to register for this service.

- All registration applications and changes to your student's transportation needs must be submitted electronically. This allows us to transfer the data efficiently and timely. The registration form can be found on our Sturgeon Public School Division webpage under the transportation site or at <http://www.sturgeon.ab.ca/Transportation%20Form.php>
- Once your form is processed, you will receive a return email. This email may inform you of bus and stop information, may ask you to contact the bus operator or may inform you that you are not eligible for transportation based on the information that you submitted.
- If your application indicates that your student is not funded by Alberta Education for transportation services then you will be assessed a fee to use the bus. Fee categories and definitions can be found on the website at <http://www.sturgeon.ab.ca/Fees%20Payment.php>
- Students needing to ride the bus the first week of school must have their registration applications processed prior to August 22, 2018. Any applications submitted after that date will be processed in as timely of manner as possible but there will be no guarantee that it will be before the first day of school.
- If Transportation fees apply they must be paid in advance of receiving bus service.
- No bus passes will be issued to students until their transportation fees are paid.
