

Hello Sturgeon Families!

First great exciting news! A huge shout out to Dominyk Gallatin on achieving the Valedictorian for Grad class 2021. This achievement comes with getting the highest grades in this years graduating class . Congratulations Dominyk!

Graduation is almost here. Bookings for June 12 are available online. Please remember that you must list both parents/guardians who are attending for each graduate. Click on the link: <https://www.schoolinterviews.ca/code?code=u8gxj> or go to [www.schoolinterviews.ca](https://www.schoolinterviews.ca) and enter u8gxj.

The booking site will close on June 3rd. Bookings required after that date will need to be done directly through the school office. Students must have all school fees paid prior to June 12th in order to participate. Please contact the school office if you need help with a payment plan.

We can't wait to see all the Grads dressed up in their finest and to reveal all our extra special touches.

This week we lowered out flags for 215 hours in remembrance of the 215 children whose remains were discovered at a Kamloops residential school. Our hearts are with the Tk'emlúps te Secwépemc First Nation. We are committed to continuing to ensure that our students learn and understand about the legacy of our Canadian residential schools. Together we can move ahead in truth and reconciliation – forming a caring, understanding, and positive world for our children. Please reach John Valliere our First Nations, Metis, and Inuit Student success Coach for any questions at 780-973-3301.

This week is also Pride Week. It's all about inclusion, acceptance, family, and community. Let's celebrate uniqueness and being our authentic selves!

# STAY AT HOME GUIDE FOR CHILDREN UNDER 18

November 2 Update

This summary will help parents understand when to keep their child home, and when it is safe to return to school. It is based on the Alberta Government document "[Student Illness](#)" and will evolve as that document changes.

**Every day**, parents must complete the [Screening Questionnaire](#) before their child enters school.

## My child is sick. How long should they stay at home?

### Core COVID-19 Symptoms

My child has one or more of these core symptoms:

- Fever
  - Temperature of 38 °C or higher
- Cough
  - Continuous, more than usual, not related to other known causes or conditions such as asthma
- Shortness of breath
  - Continuous, out of breath, unable to breathe deeply, not related to other known causes or conditions such as asthma
- Loss of sense of smell or taste
  - Not related to other known causes or conditions like allergies or neurological disorders

### Other Symptoms

My child has one or more of these other symptoms:

- Chills
- Sore throat /painful swallowing
- Runny nose/congestion
- Feeling unwell/fatigued
- Nausea, vomiting and/or diarrhea
- Unexplained loss of appetite
- Muscle/joint aches
- Headache
- Conjunctivitis, commonly known as pink eye

### What should I do next?

1. Call 811 or [AHS Online Assessment Tool](#)
2. You are **legally** required to have your child isolate for **at least 10 days** from the start of their symptoms or until they resolve, **whichever is longer**.
3. Strongly recommended to seek a COVID-19 test.

The only exception to isolation is outlined below.

### If my child has **ONE** of these, what should I do?

1. Keep your child home and monitor for 24 hours
2. If their symptom is improving after 24 hours, they can return to school and activities when they feel well enough to go. Testing is not necessary.
3. If the symptom does not improve or worsens after 24 hours, or if additional symptoms emerge, call 811 or use the [AHS Online Assessment Tool](#)

### When can my child come back to school?

Your child may return to school:

- Once the 10-day isolation is complete and symptoms have resolved.

**OR**

When your child has received a **negative COVID-19 test result**, they have **no known exposure** to the virus, and their **symptoms have resolved**.

### If my child has **TWO or MORE**, what should I do?

1. Keep your child home.
2. Call 811 or use the [AHS Online Assessment Tool](#).
3. Your child can return to school and activities once their symptoms go away as long as it has been at least 24 hours since their symptoms started.
