### **Reports:**

#### ➤ **President/Vice President:**

- We need to make a separate section in the funding for the Football team.
- I have \$370 for you to deposit from the football 50/50. I will get this to you this week

#### ➤ **Treasurer:**

- Bank Account Opening Balance & Closing Balance -- \$1,293.56
- Financials had been signed by Nicole & Helen and the Annual Society Return has been mailed in
- Bonnie has some funds from the football 50/50 to be deposited and held in our account

#### ➤ **Casino Chair:**

- We will have our casino on Q4 2022 (This is Oct – Dec)
- Once we have our casino, any fundraisers that we have and get an AGLC license for, those proceeds that we raise will need to be put into the casino account. This is only for AGLC licences.

#### ➤ **Grant Chair:**

- I got a call from vermillion energy on Oct 1<sup>st</sup> asking if we had anything that we needed funding for and to send them a list so see what they would give us money for. I sent a bunch of the funding requests that I had from last year to them to see what they would cover. I emailed her back and she is still waiting to hear what amount we will get towards the request.
- I sent another email to NWR checking up on the funding request that was sent in last year. Still waiting on a replay from them as well.

### **Old Business:**

#### ➤ **50/50 Online Fundraiser:**

- This has all been set up and is ready to be launched on November 1<sup>st</sup>. I will be posting it on our Facebook page and would also ask that everyone share the post on Facebook.
- Sherri are we able to get a post sent out in the November newsletter so parents can see that we are putting this fundraiser on, as well as post it on the SCHS page? I have written that the funds will be used towards construction, Fabrication, Athletics, cosmetology departments and that we will donate some funds to this year's graduation class.
- **Wine Survivor:**
  - Sherri checked into this and due to it being liquor we are not able to put on the wine survivor under the school
- **Golf Tournament:**
  - I have secured the May 14<sup>th</sup> date with the Cardiff gold club. I have been working on the putting together all the details for the tournament and have it almost all completed. I am going to go meet with Dalles to confirm what we are and are not allowed to do. As well I am looking for companies to sponsor holes.
  - We need to figure out what we will be using the proceeds we get from the golf tournament towards.
  - Looking for silent auction items to be donated
  - Registration flyer to be sent out Jan 2022
  - Would like a Committee 4- 5 people to organize tournament
  -

#### **New Business:**

- **Football funding:**
  - We submitted to AGLC for the football team to do 50/50's at their home games. They are trying to raise money for new football jerseys for next year. We have also got a \$600 donation for them to go towards their jerseys.
