Old Business:

➤ Valentines Day fundraiser

- We put on a small fundraiser at the school for the kids. There were 2 draws: one was a draw for a Baquet of roses and the second draw was for a valentine's day gift basket. The PIA put up the money for the prizes. It was 1 ticket for \$1 and we raised \$ 43, and the winners were Louise Kuch - Gift basket and TerriLynn Derouin – Dozen Roses. This was a just a fun little draw that we wanted to do to give back to the kids.

➤ Golf Tournament

- Stacey and I have sent out the sponsor and donation letter to a bunch of companies. We have already got 3 dinner sponsors 3-hole sponsors and a few people that want to donate prizes.
- If anyone else know of any companies that you think would like to sponsor or donate, please send me their contact info (Name, Phone # and email) and yours so I can send out the letter to you to send to them.
- We posted the flyer on our Facebook page and have started accepting registration of teams. Please be sure to share the flyer so we can get lots of teams and make this an awesome event.
