Mathematics information

Students should only select Competencies in Math 15 if they are determined to get into Math 20-1 or Math 20-2. If Math 15 is chosen, Math 10C must also be selected. Based on results in Math 15, the teacher will make a recommendation for the next level math course to be taken in semester 2.

If you intend to take PE 10 or CALM in Summer School please indicate which course and the location:

COMPLEMENTARY COURSES

Select your preferred courses with 1 being your favourite. Your total number of credits including core and PE should be between 40 and 44. Make sure you choose 3 credit courses in pairs. If you only choose one year long music course, you need to make sure you have selected two 3 credit courses to balance your timetable. Please select two alternate courses and label them "A". Look online for course descriptions and see attached sample timetables to assist in picking enough courses.
