

Good day Sturgeon Composite Families,

I hope our students took some time to enjoy family over the break, and to have some much needed rest and relaxation. We are so lucky to be having beautiful weather!

We will be moving into the course selection phase of registration in the next couple of weeks. A PowerAnnouncement will be sent out with more information. Please have conversations with your student about their plans for the next academic year. It is important for them to stay focused over the next few months so they can move forward in the courses they need.

We are gearing up for an amazing annual event called Sturgeon Strides Walk-a-Thon (Event Theme: Walking with the Generations) scheduled for Thursday, May 19th. Students enter a team of 5-9 people and spend the day walking the track and participating in an event filled day of fun. Each member of the team will be allowed to invite one person, 25 years or older, to come and support the team, and walk with them throughout the day. We are fundraising for Homeland Housing, whose mandate is to serve low- and moderate-income seniors, individuals, and families in Sturgeon County (Legal, Redwater, Morinville, Gibbons, Bon Accord). Your donations would go directly to Homeland Housing to help support active living in the form of purchasing accessible bikes. You may already have grandparents or other family members who access Homeland Housing services!

For this event to be a success and to support our teams throughout the day, we are looking for monetary donations and/or prize donations. If you or anyone you know is interested and sees the benefit in supporting our school and students, please send an email to schs@sturgeon.ab.ca for more information.
