-GENERAL INFORMATION-

WELCOME

A warm welcome back to all parents, students, and staff. We look forward to working with everyone throughout the year. Together we can, and will, influence tomorrow.

PHILOSOPHY

Sturgeon Composite High School provides opportunities for students to prepare for future endeavours and life-long learning. We strive for excellence and student engagement. Our environment is caring, cooperative, innovative, and sensitive to the needs and interests of students, staff, and parents. Together we will help enable our students to be engaged learners who become ethical citizens with an entrepreneurial spirit.

Sturgeon Composite High School offers both school and community-based educational opportunities in order to keep pace with an ever-changing world. We encourage our students to be individuals who:

- Achieve a high personal standard
- Have pride in their school
- Have a high level of self-esteem and are capable of influencing their own destinies
- Have effective communication skills
- Are creative critical thinkers and problem-solvers
- Are responsible citizens, with tolerance and respect for others

VISION STATEMENT

Sturgeon Public Schools: where, through a well-rounded education, students are motivated and supported to pursue their unique path to future success.

MISSION STATEMENT

Working together as a team of trustees, parents, community, staff and students, we create safe, respectful and collaborative learning environments where students are prepared to meet, and excel at, the challenges presented by the global community.

VALUES

- **Excellence in teaching:** We know that magic can happen when students are engaged, excited and feel connected to their learning and their teachers.
- **Shared responsibility:** We all have an important part to play in the education process. Working together, we strive for excellence so we can build a stronger future for us all.
- **Mutual respect:** Students, staff and parents all deserve to be treated with respect. By fostering reciprocal respect within our system, we will all be able to reach our full potential.
- **Belonging:** Students must be able to learn in healthy environments where they feel safe; have strong connections; are free from bullying; and where their physical, intellectual and emotional needs are met. We are a school division and a family.
- **Learning choices:** One size does not fit all. We recognize that to prepare students for their futures, we must meet their diverse needs along the way.

- **Communication:** To do the challenging work of educating the next generation, we must keep the communication channels open. We value open, honest and timely communications.

Please refer to page 17 and 18 of this manual for the student and parent responsibilities in accordance with the Education Act.

OFFICE

Our office is open daily from 8:00 a.m. to 3:45 p.m. Students are welcome to use the phone in the office to call a parent/guardian. Parents phoning the school may leave a message for their children; in the case of an emergency a class may be interrupted to deliver the message. Parents are encouraged not to text or call their children's personal cell phones during class time.

VISITORS TO THE SCHOOL

Your child's safety is our number one concern. In the interest of safety, we request that Parents and guardians call the office to sign-out their child when they pick them up during the school day. The primary and legal responsibility of the school is to provide a sound educational opportunity in a safe environment and to be aware in cases of emergency when students have left the building when otherwise would be in class.

We welcome visitors to our school. All visitors are asked to book an appointment in advance and proceed to the office upon arrival to check in.

SIGNING OUT

Students, who are required to leave for any reason, must sign out at the office and leave the school grounds. Students who become ill must report to the office as soon as possible and should **not** remain in a washroom or attempt to go home without checking in at the office. Parents / Guardians

of students who are ill need to inform the school by email at schattendance@sturgeon.ab.ca or phone at 780.973.3301. If call or an email is not received the absence will not be excused.

Note: Students will not be excused from class until the office has received parental consent.

POWERSCHOOL

<https://sps.powerschool.com/public/home.html>

Parents and students have separate PowerSchool accounts which are very important to communicate between school and home. Attendance, assessments, teacher emails, fees, and bulletins are all updated daily. This is your **primary** source of communication with the school. If you need help with your account please contact the office.

INSTRUCTIONAL MATERIALS & OTHER SCHOOL FEES

All school fees are due by **October 15** for semester 1 and **March 15** for semester 2. If you wish to set up a payment plan please contact the Finance Office at SCHS. Invoices not paid when due, will be turned over to Central Office for collection.

Textbooks are issued at the beginning of each semester and must be returned at the end of the semester. It is expected that students put their name and the school year in the front of their textbooks once they receive them. Students are responsible for the textbooks that are issued to them and will be charged the replacement cost for missing or damaged books. No new textbooks will be handed out if there are outstanding textbooks or replacement costs.

Fees for extracurricular activities must be paid by the deadline set for each activity or participation may be suspended.

Note: Students may be ineligible to participate in any extracurricular activities including: graduation ceremonies, music tours, athletic teams, field trips, out of province/country travel, Skills Alberta/Canada competitions, etc. if any school fees are outstanding.

Note: Out of Boundary students, registering in SCHS, shall be charged a \$50.00 deposit to hold their spot. Upon attendance to the school, the deposit will be applied to offset their school fees.

Note: Fees for the current School Year will be announced upon Parent Council Board approval.

ATTENDANCE

Section 31 of the Alberta Education Act outlines students' responsibilities when it comes to their conduct in school. It is expected that students attend school punctually and regularly. In order to assist you in meeting this expectation regarding attendance we ask that **parents/guardians email**

the school at schattendance@sturgeon.ab.ca or call the school at 780-973-3301 within 24 hours in order to confirm students' absences.

Students are expected to be in their scheduled class when at school. Students cannot be excused from classes to study or complete homework. Excused students are not to be on school property.

Under the Education Act Section 7(4) a student is excused from attending school on a day on which the school is open if: the student is unable to attend by reason of sickness or other unavoidable cause. The school will not excuse student's attendance due to a "blanket" excuse call from parents or guardians. School Administration can determine whether an absence is excusable or inexcusable. SCHS considers all unexcused and unavoidable absences as detrimental to the learning environment as students cannot achieve their maximum potential. We will deal with unexcused absenteeism by the counseling of students and use of various consequences to provide a structured environment to catch up on missed work.

Please note that in virtually all situations, significant absences will have a detrimental effect on achievement

POWERSCHOOL ATTENDANCE

Regular and punctual attendance, along with preparation for class, is expected of all students and has a direct relationship to success. This level of expectation is primarily the responsibility of students and parents. The school will support the efforts of parents and students in establishing positive behaviours.

- School directed field trips and curriculum related activities, preapproved by the Administration, will be identified as school related absences on a student's attendance file.
- Requests to sanction absences due to provincial or national competitions, religious ceremonies, and medical situations should be directed to an Administrator and will be reviewed on an individual basis of need.

Attendance will be taken within the first 15 minutes of class each block. An automated message will be sent out for each unexcused absence at the end of every block. Students that arrive late to class are responsible for ensuring the status of their attendance is changed by the teacher. If you are not aware of the absence, you are encouraged to speak to your son/daughter and contact the school if you would like follow-up action.

Parents/guardians are requested to notify the school with a brief message at 780-973-3301 or schattendance@sturgeon.ab.ca to report all absences.

Teachers generally make contact with parents if students have missed five or more classes without reasonable explanation. If necessary, a teacher may refer attendance concerns to a Counsellor or an Administrator.

Note: Parents are encouraged to sign up for [PowerSchool](#).

WITHDRAWALS

In the even that a student must withdraw from Sturgeon Composite High School, it is essential that the following steps be taken:

- A withdrawal form is filled out and signed by a parent/guardian
- All textbooks are returned to the school
- All school fees are paid

Please note that once a student has been withdrawn from the school they are no longer able to be on school property during the school day or for any events that are closed to the general public.

ILLNESS/ACCIDENTS DURING THE SCHOOL DAY

If a student feels ill or is injured during the school day, they must report to the office. In the event of an accident/injury, first aid is administered as appropriate. If a student requires further attention at a hospital or if they need to go home, the parents are contacted.

Cell phones are **not** permitted in the infirmary. Upon entering or leaving the infirmary, students must advise the office. **Parents/Guardians are expected to inform the school of any medical conditions and medications required for their son or daughter.**

AVOIDABLE EXTENDED ABSENCES DURING THE SCHOOL YEAR

Parents/guardians sometimes choose to take students out of the school for extended periods of time for the purpose of vacations, working at a place of employment, or other avoidable reasons. In these situations, the school may not excuse these absences.

In the majority of situations, significant absences such as these will have a negative influence upon achievement and parents/guardians shall accept responsibility for these detrimental effects. Regular class attendance is essential for maximizing achievement.

If an avoidable extended absence is scheduled during the school year, the administration and the various subject teachers should be informed well in advance of the event. It will be the responsibility of the student to obtain notes and complete assignments which occur during their absence. After discussing extended absences with the student's teachers, students may find this information through the use of Google Classroom, classmates, teacher internet sites, electronic devices and other means. **Homework packages will not be provided prior to or during the extended absence.** Upon returning, it is students' responsibility to complete and turn in any required assignments within a reasonable amount of time, determined by the teacher. Although these procedures will help students to reduce the detrimental effect of their absence, Sturgeon Composite High School believes it will not replace the positive effects of the "classroom experience" upon their achievement. Sturgeon Composite High School will not reschedule final exams for these avoidable extended absences.

Please note that in virtually all situations, significant absences will have a detrimental effect on achievement.

SCHOOL BUSES

Buses are provided to transport all students to and from school. Parents/guardians who are not certain which buses transport their children should contact the Transportation Department at 780-939-4341, toll free at 1-888-459-4062 or online at <https://www.sturgeon.ab.ca/>.

SCHOOL CLOSURE/CANCELLATION OF BUS SERVICE

School bus service may be suspended at a temperature of minus forty (40) degrees Celsius, as determined by the Weather Network at Bon Accord, AB., or as articulated in Policy 255. Other contributing factors include:

- Visibility under 1 km or impassable roads;
- Reports from bus drivers, counties or municipalities concerning the conditions of rural roads;
- Notification of severe weather provided by Alberta Emergency Alert and or;
- Information received from neighboring school jurisdictions.

Parents are advised to check the district website or contact the transportation at central office if they have any questions. If a storm arises during school hours, the decision to transport students home early is at the discretion of the bus drivers and the Director of Transportation, who are in the best position to know the condition of the roads.

Bus cancellations can be viewed on the Sturgeon Public Schools website <https://www.sturgeon.ab.ca/transportation/bus-status#category/789>.

It is highly recommended to use a personal email address and not a school email address when creating an account.

-STUDENT SAFETY AND EMERGENCY PROCEDURES-

Sturgeon Composite High School is an Hour Zero school and uses the following safety procedures in the event of an emergency:

Lock-Down	Lock-Downs are usually used in response to acts or threats of violence to students and/or staff directly impacting the school. During a Lock-Down all doors to and within the school are locked. No one is permitted in or out of any area once it has been locked. Students and staff must respond very quickly to a Lock-Down command to get to a safe location before doors are locked. No one, other than law enforcement, is permitted access to the building until the Lock-Down is over.
Hold and Secure	Hold and Secure is used in response to security threats or criminal activity outside the school. During a Hold and Secure, all entrance doors to the school are locked, with no one permitted in or out of the building. No one, other than law enforcement, is permitted access to the building until the Hold and Secure has been cleared.
Shelter-in-Place	Generally, Shelter-in-Place is used during an environmental emergency, such as severe storms or chemical spills. During a Shelter-in-Place, students and staff retreat to safe zones to seek shelter. This includes having students or staff who are outdoors come back into the school. Each school's emergency response plan identifies the safest location for its occupants and how to seal a room from hazardous conditions. Students will not be released or dismissed until the situation has been resolved.
Evacuation	An Evacuation requires all students and staff to leave the school and go to an alternate location. This may mean only going outside and away from the building until it is safe to re-enter the school. In other cases, students and staff may need to go to an evacuation center. Parents will be informed of the alternate location through the school's Crisis Notification Network.
Dismissal	Under some circumstances it may be determined that it is best to dismiss students to their homes and families as expeditiously as possible. Should

	this be the case, every attempt will be made to alert the emergency contact for each student of the situation and to ensure young students are not left unsupervised

COURSE CHALLENGES

In keeping with Alberta Education guidelines, SCHS students may challenge a course, provided that they meet the necessary criteria. See a counsellor or an administrator for details of the process.

ENROLLMENT EXPECTATIONS FOR STUDENTS

COURSE SELECTION, MINIMUM CREDIT LOADS AND WITHDRAWAL FROM CLASSES

	Credits Earned	Minimum Credits Required to Register	Spare Eligibility
Grade 10	-----	40	X
Grade 11	40 or more	35	✓
Grade 11	< 40	40	X
Grade 12	75 or more	30 (15/semester)	✓
Returning Grade 12 (Only special cases will be considered)	-----	15/semester	✓

Minimum course credit requirements are only calculated using courses taken at SCHS.

Note: A student who has earned 40 credits after grade 10 will be eligible to receive a spare in grade 11. Students who earned 35 credits after grade 10, will be considered a grade 11 student but not be eligible to receive a spare. Students will only be considered to be grade 12 students if they have earned 75 credits after their grade 11 year. Blended or alternate programs will be at the discretion of Student Services and School Administration.

Significant problems arise when students stop attending a class or wish to change their course selections after the school has set a timetable and hired staff. However, after the extensive registration process, which begins in the spring with report cards, counseling sessions, Open House and registration requests, there should be **no withdrawals from any class after seven (7) school days.**

Note: A final mark may be assigned to any course withdrawals after mid-term marks have been issued.

SPARES

All students and teachers have a right to a quiet instructional setting. Spares are intended for homework or quiet study in the library or the cafeteria. Hallways and foyers are to be kept clear when classes are in session. Students are expected to remain at school but, if they leave the building during spares, **they assume complete and sole responsibility for their safety while out of the school.** For safety reasons, students are not permitted to loiter in the parking lot (including being in vehicles) during class time.

HOMEWORK

Students are personally responsible for obtaining and completing homework assignments when missing classes. Parents/students should check Google Classroom and PowerSchool to obtain information about missed work. Further information can be obtained from the classroom teacher and the course outline and PowerSchool.

ASSESSMENT POLICY

Philosophy Statement:

The staff at SCHS believes that the purpose of assessment is to gather information about student progress in order to improve teaching and learning. Assessment provides students, parents, and teachers with an accurate picture of student performance in relation to the goals and objectives of the Alberta Program of Studies. Assessments help inform students, parents and teachers about the learning needs of the students moving forward.

Please check PowerSchool regularly for student attendance and achievement.

1.0 Responsibilities and Expectations of Staff, Students and Parents/Guardians Relating to Assessment

1.1 The Staff at SCHS will:

- Provide a high level of professional instruction.
- Provide opportunities for all students to grow academically, socially, emotionally and physically.
- Communicate clearly defined criteria for all courses and how marks are determined as the year progresses.
- Provide an overview of the assessment plan for each course to students and parents at the start of the year.
- Provide appropriate opportunities for students to demonstrate learning, using a variety of formative and summative assessments.
- Maintain thorough & accurate records detailing student achievement and challenges.
- Use a variety of assessment tools to reach a summative grade.
- Communicate school/student information, progress and achievement using PowerSchool as the primary source of communication.

1.2 Students will:

- Attend classes regularly and punctually.

- Come to class prepared to work and learn with the proper materials and an attitude that fosters success and achievement.
- Follow school and district policies and regulations regarding behavior and conduct.
- Complete homework and assignments on time.
- Demonstrate pride in completed work by ensuring that all assignments demonstrate their highest levels of ability and learning.
- Exhibit respect for themselves and others and demonstrate self-discipline.
- Actively seek to acquire the skills, knowledge, and attitudes of the Alberta Program of Studies.
- Ask for help when appropriate and attend scheduled help sessions as needed/required.
- Actively participate in self-reflection, goal-setting, and other formative assessment activities.

1.3 Parents/Guardians are encouraged to:

- Ensure their child gets to school daily and on time.
- Provide the time and place for daily homework.
- Show support for school and district policies and regulations.
- Actively monitor and encourage student progress by checking the Parent Portal.
- Communicate with staff regarding their child's progress.
- Attend conferences and/or parent workshops that focus on student learning and achievement.

2.0 Assessment Practices at SCHS

The **purpose of assessment** is to gather information about student progress in order to improve teaching and learning. **Information** related to assessment is communicated in a clear manner to students, parents, and teachers.

Assessment provides students, parents, and teachers with an accurate **picture** of student performance in relation to the goals and objectives of the Alberta Program of Studies. SCHS may engage in three types of assessment:

2.1 Formative Assessment provides ongoing information to help teachers and students determine what is required to improve knowledge and skills. It can provide practice in applying, demonstrating and extending knowledge, skills, and attitudes.

2.2 Summative Assessment is meant to provide information about progress and achievement. This information is posted on the Parent Portal. Summative assessments are secured, meaning they are not released to students.

2.3. Diagnostic Assessment is meant to provide information about a student's prior learning. It may help to identify a student's strengths, or areas of concern, allowing a teacher to make informed decisions about program planning for the student. This information is communicated to families in a parent conference.

Based on meaningful and clear **assessment practices**, students are:

- Engaged and empowered in their learning process.
- Actively participating in the assessment of their work. Assessment tasks provide them with information that they can use for self-reflection and self-evaluation. This assists students in taking responsibility for their work and in becoming life-long learners. For students to progress, they must take ownership for their learning.

3.0 Re-writes

- In the event that a student's performance on a summative assessment task is inconsistent with his/her performance in the unit of study, the teacher **may** allow the student to re-write the test or re-do the assignment. The student must initiate this process with their teacher. **This is based on the teacher's discretion.**
- Students may be given the opportunity to write missed summative assessments under extenuating circumstances as determined by the classroom teacher.

4.0 Work Not Handed In (NHI)

Teachers will assign clear **deadlines** and expectations for all formative and summative assessments related to their courses. Students will be responsible for these deadlines and due dates and will organize their time appropriately for the completion of these tasks. Should a student not hand in an assignment they will have their mark recorded as an NHI (Not Handed In). **This mark will calculate as a '0' in their final grade.**

Each department has a set NHI policy so please refer to your course syllabus for expectations and, if needed, speak to your teacher for further clarification.

FINAL EXAMS

SCHS believes that the purpose of exam week is to provide formal time for the students to maximize their achievement on their final exams. **SCHS will not reschedule final exams for avoidable absences** such as vacations, working at a place of employment, or other avoidable reasons. Because circumstances vary, each case will have to be considered on its own merit. The final decision will be made by SCHS Administration.

Non-Diploma Exams

- A. Supervising teachers will take attendance during final exams and the office staff will phone home if a student is missing. If students have not arrived within one hour of exam start time, they **will not** be allowed to write the exam and will receive a grade of 0.
- B. If the student is unable to come in on the day of the exam due to extenuating circumstances (illness with medical note, bereavement), the student's parent/guardian must contact the school as soon as possible.
- C. If buses are not running, Sturgeon Public Schools and the SCHS Administration team must act in the interests of the health and safety of their students in emergency situations. Students will be given an exemption on the examination scheduled for that day, and their

grade will be comprised of their course awarded mark, and any other previous examinations scheduled for that course.

Diploma Exams

- A. Supervising teachers will take attendance during diploma exams and the office staff will phone home if a student is missing. If students have not arrived within one hour of exam start time, they **will not** be allowed to write the exam. Alberta Education does not permit entry into the exam room once one hour has elapsed from the start of exam. If a diploma exam is missed the student will not receive a mark of 0 but will need to write the exam during the next diploma exam session (November, January, April, June, August). Until the diploma exam is written, the course will be listed as incomplete on the student's transcript.
- B. If buses are not running, Alberta Education, and Sturgeon Public Schools must act in the interests of the health and safety of their students in emergency situations. If a student is not able to write a diploma exam due to inclement weather the needs of the student will be addressed by the "Special Cases Committee" of Alberta Education subsequent to the recommendation of the school principal.
- C. If a student is not able to write due to illness or another emergency (i.e. bereavement) a form (available from the Alberta Education Website) must be completed by the student/parent/guardian and principal. If the reason is due to illness, the form must be completed by a physician, parent/guardian and principal. The principal will make his recommendation, based on the best interest of the student, and then submit to the "Special Cases Committee" of Alberta Education for approval. If the exemption is not approved the student will write in the next exam session (November, January, April, June, August).

PARENTAL REVIEW OF EXAMS

If a parent wishes to review a final or a unit exam (with the exception of diploma exams), the following process must be followed:

- Parents should be clear on the purpose of the review.
- Unit and final exams must be reviewed by parents by the last operational day of each semester.
- During the review no written notes or photocopying shall take place.
- All reviews must be in the presence of the teacher and/or an administrator at the school.

MARKS APPEAL PROCESS

Students who wish to appeal a final mark should first discuss the situation with the teacher concerned. If the matter is not resolved, then the student may complete an appeal form which can be obtained from the General Office and submit it to a Vice Principal for a ruling. All appeals to a Vice Principal must be submitted within **seven (7)** days of receipt of the mark.

PROGRESS REPORTING

All grades will be provided digitally through the Parent Portal. Parents and students are encouraged to log on to the PowerSchool Parent Portal <https://sps.powerschool.com/public/home.html> which is accessible 24 hours a day on our school website to regularly review student's academic progress

and attendance. Parents may contact their child's teachers via email or make an appointment to see any teacher at any time.

**Qualification for Graduation at Sturgeon Composite High School is based on
Alberta High School Diploma requirements.**

Insurance

Insurance coverage for students is primarily the responsibility of the parent or guardian. Numerous companies can provide personal injury insurance.

Waivers

SCHS students are involved in a wide variety of activities in and out of school that are both curricular and extra-curricular in nature. It is a Division expectation that **WAIVER FORMS** be issued and signed for each activity. Students will be given waiver forms to have signed as necessary.

Slurs based on race, gender, sexual orientation, religion, or culture, etc. will not be tolerated. Disciplinary action will include: contact with parent/guardian, detentions and/or out of school suspension, and possible RCMP involvement. Serious offences may lead to a recommendation for expulsion.

PHYSICAL ALTERCATION

We believe in a safe and caring learning environment and believe that physical altercations, such as fighting, are counterproductive to the major purposes of an educational institution. Students who engage in physical altercations, encourage, watch, video or photograph an altercation may be faced with a range of consequences, which may include transfer of the student to the custody of parents, suspension from school, expulsion from school, or involvement of law enforcement agencies. This policy is in effect during school hours, for all school sponsored activities on and off school property, and if the altercation happened outside of school hours but has impacted the learning environment of SCHS.

FROSHING

“Froshing” of students and student-athletes is prohibited at Sturgeon Composite High School. If a student froshes another student which: (1) insults the student, (2) decreases a positive school climate and/or (3) results in damage to school, public or private property, then that person may be charged by the RCMP with “willful damage” or “mischief” and/or be suspended. **Repeat or serious offenses may result in expulsion.**

Students caught damaging school property will be required to pay for damages; may be reported to the police; suspended from school; or, in some instances, may be recommended for expulsion from school. Our students are our ambassadors and act as proud citizens of our school. We rely upon students to take ownership of the school climate and environment. Any student who wishes to report any type of concern or share pertinent information is encouraged to speak to one of the administrators or counsellors who will treat the information as confidential and are in a position to respond accordingly.

ILLEGAL, RESTRICTED, OR PROHIBITED SUBSTANCES

It is the belief of SCHS that these substances are counterproductive to the major purposes of an educational institution. Therefore, any students found in possession of, involved with, or using these substances will be disciplined. The use, possession, or distribution of these substances while under the school's jurisdiction may result in one or more of the following: transfer of the student to the custody of parents, suspension from school, recommendation for expulsion from school, or involvement of law enforcement agencies.

Students found to be smelling strongly of marijuana or coming to school already under the influence of drugs or alcohol can be suspended.

Students found to have any of these substances on them will have the substances confiscated and not returned. This policy is in effect for all school sponsored activities on and off school property. Sturgeon Composite High School follows division policy 900 in this regard.

SCHOOL RESOURCE OFFICER (SRO)

The School Resource Officer Program, originated in 2001, is a collaborative project involving the Morinville RCMP Detachment and Sturgeon Public School Division. This initiative falls within the School Divisions' mandate and philosophy for "Safe and Caring Schools". Sturgeon Composite High School supports this Safe and Caring Initiative and purchases the services of a School Resource Officer (SRO). The presence of the School Resource Officer within the school allows students, staff, and parents to interact with an RCMP Officer in a manner that is consistent with fostering positive community relations. The SRO is available to all stakeholders.
